

LA 3484 U 1 DE 30 401 DE 6 A 1 1004 2100 2004 A 4

  
Dr. Guillermo A. Francos  
Jefe de Gabinete de Ministros

A black and white photograph of a latent fingerprint. The print is oval-shaped and shows a clear, well-defined pattern of ridges and valleys. The ridges are dark and form a series of concentric, slightly wavy lines that spiral outwards from a central point. The valleys are lighter and form the spaces between the ridges. The overall pattern is characteristic of a fingerprint used for identification purposes.
