**EXPTE. 127/16**

**JULIO RICARDO KOPPETSCH**, por la representación de parte actora, a V.S. respetuosamente dice:

**I) OBJETO:**

Atento al estado de la causa vengo a presentar nueva planilla de actualización de capital e interés.

De acuerdo con la sentencia final de fecha 23 de octubre de 2017, la cual cito: "Los créditos declarados procedentes en este fallo, devengarán el interés mensual, correspondiente a la tasa activa promedio que publica el Banco de la Nación Argentina para sus operaciones de descuento de documentos comerciales, el que se calculara hasta el efectivo pago, todo conforme los fundamentos dados por esta Sala en los autos: "Vázquez Herrera Verónica del Valle Vs. AybarArgañaraz Julio César", sentencia del 17/10/14; Juárez Silvia Lucrecia vs. Rodríguez Lidia Rosario", "Plaza Cynthia vs. Hernández José Luis y Ferreira María Rita", entre otros a los que me remito brevitatiscausae y que deberán ser considerados como parte integrante de esta Sentencia, y a los fines de mantener incólume su contenido habida cuenta de la situación financiera que se vive en la actualidad y que evidencia un incremento en los índices inflacionarios".

Al no haber podido encontrar la tasa activa actualizada en los índices del Colegio de Abogados de Tucumán; como tampoco en la página web del Consejo de la Magistratura de Buenos Aires; Colegio de Abogados de Entre Ríos o Página Oficial del Banco de la Nación Argentina, he recurrido a la página oficial de la Suprema Corte de la Provincia de Buenos Aires para cuantificar los intereses hasta la fecha 15/11/2021, todo vez que el Colegio de Abogados de Tucumán se encuentra desactualizada, ni siquiera llega a mediados de octubre de 2021.

**II) MONTO TOTAL RECLAMADO AL 15/11/2021:**

De acuerdo a lo explicado más arriba, adjunto el siguiente cuadro.
